JOSHUA CHAPTER ONE VERSE 8 / JOSHUA CHAPTER 5 VERSES 13-15

JOSHUA CHAPTER 6

We are rapidly approaching the last quarter (3months) of **2026.** These are crucial, exciting and days filled with the power and the manifested promises of our God, and we are wholeheartedly committed to **FINISHING STRONG**. The saints of yesteryear sang a congregational song, "I believe I will run on to see what the end will be, I believe I will pray on, I believe I will fast on to see what the end will be!"

Subsequently, our hearts are overflowing and filled with gratitude along with an expectation and anticipation of the manifold blessings of our God that He has reserved for us as we approach the culmination of another year in the Lord. We are healed, we are delivered, and we are at liberty!!

This **2026 end of the year consecration guide** will aid in reminding the saints of the commitment we made at the beginning of this year of **2026**. Indeed, we must confess that time is swiftly transitioning and we must hold to Gods unchanging hand. Times and Seasons are in the sovereign unfailing and eternally capable hands of God.

ALIGNING our sanctified lives in synchronization with the timing and seasons of God will determine our success in every endeavor. We must move at the speed of God's timing for our lives; it will ensure our victories; the vision will speak and provide protection to our peace.

WHAT IS FASTING?

Fasting is the willing abstinence of food, drinks for prescribed period as directed and guided by the Holy Ghost. Fasting is denying what is vital to human survival in exchange for a deeper and increasingly intimate relationship with God.

The length of your fast does not determine the quality of your fast. SOCIAL MEDIA is a fast killer.

HOW DO I FAST?

QUIETLY

Continue in your daily routine regimen of washing your face. Then no one will notice that you are fasting. God will know what you are doing privately. THE REWARD!

Matthew chapter 8 verse eighteen

Carefully and prayerfully consider your thoughts, words, and actions. Honor the gates of our eyes, mouths, and ears. What we consume is what we will become. That which goes into the man does not defile but that which cometh out from the mouth that defiles the man (Matthew 15:11). We are careful to think and speak power.

Ephesians chapter 5:4-6 / Proverbs chapter 18:21

PRAYER MUST ACCOMPANY THE FAST

Fasting without prayer becomes a detoxifying diet. Eliminating certain harmful nutritional substances is not fasting.

ALIGNMENT

Read your Bible, fast and pray! I sought the Lord and He heard me.

Isaiah chapter 58:5-14

****FASTING OPTIONS****

When you have completed the time of your daily fast avoid eating heavy foods but choose lighter options as you reintroduce nutrition to your body. The best choice of hydration is spring water, electrolyte water, distilled water or other 100% water including green tea. Legumes such as black-eyed peas and all vegetables are great choices as well. Fruits such as strawberries, kiwis, grapefruits, peaches, watermelon (great for hydration), and peaches are low – sugar fruits. Avoid fruits or drinks that may contain high fructose corn syrup.

PLEASE NOTE

If you are on medication or if you have certain health conditions, always seek the guidance of the Holy Ghost through prayer and as needed consult the advice and guidance of your physician.

The goal is seeking God through prayer as we refocus our hearts and wholeheartedly seek Divine Kingdom Alignment.
